Re: Letter Requesting Extension of Time to File Report
Docket No. 2017-292-WS

Dear Ms. Boyd:

In the above-referenced docket, Carolina Water Service, Inc.—now Blue Granite Water Company (the “Company”)—agreed to conduct an inflow and infiltration study for the sewer system serving properties owned by Dancing Dolphin, LLC, and to provide a report to the Commission within one year of the date of the order. See Cartin Rebuttal Test. at 3 (filed Mar. 19, 2018); Order No. 2018-345(A) at 31 (May 30, 2018).

The Company has entered into a detailed task order with Goodwyn, Mills & Cawood, Inc. (“GMC”) to perform the engineering work necessary to complete this study, and GMC has begun work under the task order. However, given the magnitude of the associated work, the Company does not anticipate being able to file the report with the Commission by May 30, 2019. The Company therefore respectfully requests a 60-day extension permitting the Company to file the report on or before July 29, 2019.

Thank you for your consideration of this request. Should you have any questions or concerns, please feel free to contact me.

Kind regards,

Sam Wellborn
